Increases: Additional premiums should be calculated using the rates in force at time of increase.

IVA's: Premium only payable on appointment as supervisor.

MVL's: Refer to Marsh for discounts on connected MVL's where transfer in specie take place.

Joint Appointments: Premiums applicable where joint appointee also bonded with Marsh via either QBE or Aviva. Where Joint appointment involves more than 2 IP's, the single premium can be divided by the number of appointees
